- Hole 7: This drop zone can only be utilized if your ball crosses the red penalty area to the left of the green.

**TIRE RUTS:** All tire ruts throughout the golf course will be treated as GUR. You may either play your ball as it lies from the ground under repair or take free relief. **EDGING GROOVES:** If a ball lies in or on an edging groove around a putting green, or if the groove interferes with the area of the player's intended swing, the ball may, without penalty, be lifted, cleaned and placed in the nearest position to where it lay that is not nearer the hole and avoids interference by the condition, whether on or off the putting green. Edging grooves are considered a part of the putting green.

**MULCHED CART PATHS:** Mulched path areas have the same status as a cart path. Players are entitled to free relief, nearest point and one club-length, no nearer the hole.

**GREEN READING MATERIALS:** Green reading materials are permitted if they conform to USGA specifications. Use of non-conforming materials will result in a penalty.
