Format: Team Best Ball Stroke Play

This is a match in which two players play their better ball against the better ball of two other players. The 18-hole team stroke total will determine the winner of the match. **Awards will be given out to the winners of each individual match.**

Boys Divisions

The top 4 finishers in the Boys 11, Boys 12, Boys 13, and Boys 14 age groups qualify for their respective teams. Each team member will be paired with the other team member from their age group.

Girls Divisions

The top 4 finishers in the Girls 11, Girls 12, and Girls 13-14 qualify for their respective teams. Each player will be paired with the other team member from their age group.

Ties will be decided by using the U.S. Kids Golf Scorecard Playoff policy as follows:

Ties for team positions will be broken by the best score on the second round. If the tying players have the same score on the second round, the winner will be determined on the basis of the best score on the final nine holes of competition. If the tying players have the same score for the final nine, the winner will be determined on the basis of the final six holes, final three holes and lastly the 18th hole of the final round. If the players are still tied, continue backwards from the final hole of competition until a winner is determined. For 18-hole players, the “final nine holes, final six holes, etc.” is considered to be holes 10-18, 13-18, etc.
