Players must place their ball within one club length of the shot selected, no nearer to the hole. Players' ball must remain in the same condition as the shot selected, i.e. fairway, rough, or sand. Play is governed by the USGA Rules of Golf and Decisions, the US Kids Golf Foundation Rules and Regulations, and by the following Local Rules:

**DOUBT AS TO PROCEDURE:** Only members of the Rules Committee are authorized to render a Rules Decision. If in doubt as to the correct procedure, and a member of the Rules Committee is not present, play a second ball under Rule 20-1 and report the facts to the Committee even if the scores are the same with both balls. Failure to do so shall result in disqualification.

**FLAGSTICK:** At this time, the flagstick is fixed in the hole and MUST NOT be deliberately touched or removed by any player or caddie. The first offense constitutes a warning. A two-shot penalty will be given for each subsequent offense.

**BUNKERS:** Bunkers are defined as sandy areas completely enclosed by sod. If your ball comes to rest in a bunker, the player is permitted to lift, clean, and place their ball within one club length, no closer to the hole. The ball must remain in the bunker. The ball is deemed in play once placed and at rest. The player may smooth the bunker before placing the ball. Please note: this relief option is not available for sandy areas not completely enclosed by sod (waste areas).

**SANDY AREAS:** All sandy/natural areas, not completely enclosed by sod, are deemed to be in the general area. These areas are not bunkers, and the clubhead may be grounded. Note: there is no free relief for an embedded ball in loose sand in these areas.

**OUT OF BOUNDS:** Defined by the nearest inside points at ground level of the white stakes.

**GROUND UNDER REPAIR:** A) Areas completely encircled by white lines. B) French drains filled with rocks or stones. C) Cut Turf (Newly Sodded areas) even if unmarked.

**ROADS AND PATHS:** Artificially surfaced paths are deemed obstructions. All other paths are deemed integral parts of the course. Any white lined areas tying into roads or paths are deemed to be part of the same cart path obstruction. Wood pilings and large rocks (not small stones) adjacent to artificially surfaced cart paths are deemed to be part of the same obstruction.
