## Dear Competitors,

On behalf of everyone at U.S. Kids Golf, I want to offer my sincerest welcome to the 2025 European Championship. It is such an honor and joy to see the best young players in the world compete on these historic and beautiful courses. Links golf challenges your skill and creativity, and I know you're up to the challenge.

My hope is that you enjoy this week not only for the golf you play and the friends you make, but also for the memories that you and your family will carry away with you. I'm excited to watch all of you play. If you see me out there, please don't hesitate to say hello.

Sincerely,

Following the three-day championship, qualifying boys and girls from the 11-14 age groups are selected to play in the **European Van Horn Cup**, a one-day best ball tournament played at Craigielaw Golf Club. Participants will be selected based on score after 36 holes (Round 2). For 2025, players will be selected onto two teams: Blue and Red.

Once the 36-hole scores are compiled, the European Van Horn Cup selections and an alternate list will be published. The top four players in each age group (Ages 11-14) will be selected, seeded, and given team assignments for the event.

In 2024, the Blue Team defeated the Red Team 5.5-2.5. The lowest boys' score of 64 was shot by the Team of **Ethan Evans** of the United States and **Max Mieschke** of Switzerland. On the girls' side, **Keelee Nogawa** of the United States and **Shania Valentina Breinhölder** of the Czech Republic carded a 61.

Each year, the boys and girls pairings with the lowest rounds in the match are awarded a Morrison Medal, named in honor of the late Sir Garth Morrison, who was Lord Lieutenant for East Lothian, and his wife, Lady Gill Morrison.
