Penalty: Two strokes per hole at which any breach occurred, up to a maximum of Four strokes; Additional breach(es): Code of Conduct Policy penalty. In the event of a breach between the play of two holes during an 18-hole round, the penalty applies to the next hole.

Official Practice Round Cart Policy

In Friday's Official Practice Round, carts can be rented out at each course in accordance with the above cart policy. Those who meet the approved cart guidelines are eligible to rent a cart. Due to the limited number of carts available at each facility and the number of players in the field, there are simply not enough carts for all players at each course.

Players and caddies are allowed to ride during the practice rounds with anyone renting an approved cart. We ask for all those with approved carts to be helpful to those players and caddies that do not have carts.

On Friday ONLY, anyone with a cart is asked and encouraged to help other players and caddies as much as possible. We hope that you will help us create a positive atmosphere as we aim to help all players get around the golf course.

If you qualify to rent a cart, here are ways you can help other players during practice rounds:

- Put playing partner's clubs on your cart.
- Help offer rides to other players and caddies in your group.
- Help carry partner's food/water coolers.
- Be courteous and considerate to all.
