****Player & Caddie Shutting by Spectators and Staff**

All players and caddies are allowed to be shuttled between holes (from green to the next tee) by any spectator, volunteer, or staff member. In efforts to relieve players and caddies of long walks between holes and to promote positive pace of play, anyone with a cart is allowed to provide equal opportunity for rides for all players and caddies in your group. **Please be courteous to your fellow players!**

18-hole Divisions: All players and caddies must walk from tee to green, but are allowed to be shuttled from green to the next tee box. Please be mindful of the safety of all parties. Allowing rides to other players between holes is allowed and encouraged.

9-hole Divisions: Caddies for 9-hole players may take carts and shuttle players from green to the next tee. Players must walk during the play of a hole. Again, be mindful of the safety of all parties. Allowing rides to other players between holes is allowed and encouraged. If a 9-hole caddie takes a cart, this counts toward the max allotment of 1 per player. A spectator may ride with in 9-hole caddie cart.

Cart Rentals

On tournament days (Saturday and Sunday), carts are only permitted for spectator carts or carts for 9-hole player's caddies. **Carts may be rented from the golf shop, no earlier than 30 minutes prior to their player's tee time, one cart maximum per player.** Cart rental rates are: **9-hole: \$22 / 18-hole: \$35. A maximum of 1 cart may be rented per player.** If a 9-hole player's caddie rents a cart, spectators may ride with the caddie. A 9-hole player cannot rent a caddie cart and an additional spectator cart. Carts must be returned immediately following the round.

On practice round days, one cart per player may be rented based on availability at the above rates. Carts may only be rented 30 minutes prior to tee time. Players and caddies may ride during the practice round.
