

Shuttle Cart Policy

All golf carts must be operated according to the manufacturer's guidelines. Riding anywhere other than the seat of the cart is strictly prohibited. U.S. Kids Golf is strongly opposed to pulling clubs alongside or behind carts as it could cause severe injury or death. **Anyone choosing to utilize a pull or push cart and drag it alongside or behind a cart will do so at his or her own risk.** The host facilities, U.S. Kids Golf, LLC and U.S. Kids Golf Foundation, its officers, Directors, volunteers and employees/contractors are not liable for any event/activity or consequence whatsoever in any way arising out of or relating to participation in a U.S. Kids Golf, LLC or U.S. Kids Golf Foundation event:

Shuttle Carts:

Shuttles, operated by volunteers, are provided between holes that are deemed difficult or lengthy for players to walk. Shuttles are also provided on starting and finishing holes that are a significant distance from the clubhouse. Shuttle carts are for players and caddies only. Spectators may utilize shuttles to starting holes and from finishing holes if room is available after all players and caddies have been transported. **Anyone choosing to utilize a pull or push cart and drag it alongside or behind a cart will do so at his or her own risk.**
