

# Final Round Tee Time Plan – Double Tee Start

*Double Tee Start – Two Waves – Lead Groups in First Wave*

**Final Round Pairing Plan:** In the Final Round, the top 50% of the field, and ties (Wave A), will tee off first, followed by the remainder of the field (Wave B).

**Final Round Inclement Weather Policy:** If inclement weather forces us to shorten play, the tournament will be considered complete if all players in Wave 1 complete a 9 or 18-hole stipulated round in accordance with the World Teen Championships Rules & Regulations. All players in Wave B must be able to finish all holes for Wave B's Final Round scores to count towards the event.
