TRANSFERS:

Rome is usually very busy so we warmly suggest you to book your transfers to/from airport far in advance before your arrival with our recommended Tour Operator by clicking on this link: [Transfers](#) or by sending an email to booking@toursandtastes.it.

PLEASE REMEMBER : If you are arriving with a normal taxi you will have to checkin at the clubhouse first. As houses are not all close by the club house, please make sure your taxi will wait for you outside and drop you off by your unit after completing your check in.
