TRANSFERS:

Rome is usually very busy so we warmly suggest you to book your transfers to/from airport far in advance before your arrival with our recommended Tour Operator by clicking on this link: [Transfers](#) or by sending a mail at booking@toursandtastes.it. If you are arriving with a normal taxi, make sure you tell him to wait outside whilst checking in at the clubhouse, as houses are not close by and your luggage will need taxi transportation to the units.
