THERMAL POOLS

The thermal basin of Colli Euganei is famous for its water's properties, rich in healthy mineral substances providing therapeutic and holistic wellness. The indoor and outdoor swimming pools with thermal water at 33°C are beside the beautiful park, an ideal venue for your buffet by the pool.

TERME DI GALZIGNANO GOLF CLUB

A green park becomes a golf course, and this is exactly what makes our 9 holes green a unique place. The Sports Activities & Terme di Galzignano Golf Club offers a putting green, driving range and a restaurant by the Clubhouse. For those who enjoy sport in the open there are also 6 tennis courts. Plenty of relaxation is available by our Galzignano Wellness Center where sauna, thermal grotto, whirlpool, emotional shower, gym and Beauty SPA are located.
