

Final Round Tee Time Plan – Double Tee Start

Double Tee Start – Two Waves – Lead Groups in 1st Wave

Final Round Pairing Plan: In the Final Round, the top 50% of the field, and ties (Wave 1), will tee off first, followed by the remainder of the field (Wave 2).

Final Round Inclement Weather Policy: If inclement weather forces us to shorten play, the tournament will be considered complete if all players in Wave 1 complete a 9 or 18-hole stipulated round in accordance with the World Championships Hard Card. All players in Wave 2 must be able to finish all holes for Wave 2's Final Round scores to count towards the event.

Age Groups with AM/PM Double Tee Starts: Girls 11, Boys 11 & Boys 12

Player with the lowest total score = 1
Player with the highest total score = 144
