Tournament Information and Use of Cell Phones

All tournament information (Local Rules, Hole Locations, Tee Sheets, etc.) will be available exclusively online via the Tournament Player Hub. When tournament info is published, we encourage you to screenshot the information or bookmark it on your phone. Players and caddies will be permitted to use their cell phones to access tournament info, enter scores, call the rules hotline, access GPS yardage apps, or in the case of emergency. Cell phones may not be used for any other purpose.

Tournament Hotline & Text Message System

From Wednesday to Saturday, U.S. Kids Golf will have a tournament hotline number set up to assist with any tournament-related questions. Hours of operation will be 6:30 a.m. to 8:00 p.m. We will email players with the phone number. The number will also be available on your Local Rules Sheet. We will also have a text message system in place to send out important reminders, alerts, and updates.

Golf Genius

Players in Boys 12 and Girls 12 will utilize electronic live scoring via the Golf Genius App. Your online scorecard will serve as your official scorecard this week. More information, including your unique GGID, will be emailed to competitors soon. We advise all players to download the Golf Genius App before arriving in Pinehurst and to come to each round with their phones fully charged. The use of Golf Genius allows scores to be updated in real time on uskidsgolf.com, so parents, spectators, and supporters can keep up with the action. All other courses will use paper scorecards.

Caddie Bibs

At registration, players will be able to pick up a universal U.S. Kids Golf caddie bib that they can keep and use for all future U.S. Kids Golf events. Caddie bibs are mandatory for all caddies, to help distinguish between caddies and spectators. Additionally, an iron-on patch with the tournament logo will be included in your tournament materials. These patches will be available for no charge and are designed to be worn as “pride stickers” for each event played.

If you have already received a caddie bib, please remember to bring it with you to the event. Players that have preordered his/her last name will be able to pick up the name and caddie bib at registration as well.

Spectator Cart Rentals

Carts for eligible spectators can be rented from your respective golf course directly, no earlier than 30 minutes prior to your player’s tee time and maximum one cart per player.

The number of carts at each facility is limited and cart availability is not guaranteed. Spectator carts will only be available for those who fall into the following categories:

- » 50+ years old (Must have valid driver’s license or passport)
- » Physically challenged spectators (Must have legal verification on hand or medical note)
- » Pregnant women (Must have a written doctor’s note)
- » Adults with a child 5 years old and younger

Practice Round Cart Policy

For Wednesday’s Official Practice Round, carts can be rented out at each course in accordance with the World Championship Cart Rental Policy. Those who meet the approved cart guidelines are eligible to rent a cart.

Due to the limited number of carts available at each facility and the number of players in the field, there are simply not enough carts for all players at each course. Players and caddies are allowed to ride during the practice rounds with anyone renting an approved cart. We ask for all those with approved carts to be helpful to those players and caddies that do not have carts.

Practice Round Cart Policy (continued)

On Wednesday ONLY, anyone with a cart is asked and encouraged to help out other players and caddies as much as possible. We hope that you will help us create a positive atmosphere as we aim to help all players get around the golf course.

If you qualify to rent a cart, here are ways you can help other players during practice rounds:

1. Put playing partner's clubs on your cart.
2. Help offer rides to other players and caddies in your group.
3. Help carry partner's food/water coolers.
4. Be courteous and considerate to all.

Thank you for helping make a positive impact on the golf course.

Tournament Hydration

Water stations and bathrooms are accessible on each golf course. These locations will be detailed on your course's local rules sheet. **Each course will have volunteers roving the course handing out bottles of water as well as roving water coolers to help you fill your water bottles.** You are permitted and advised to bring enough water and hydration for your player, caddie and spectators. Volunteers and staff are constantly monitoring and refilling stations as needed. Please be sure to dispose of waste and empty bottles responsibly. There will be a tournament hotline set up for the event. If you are ever in need of water, please contact the hotline and we will be sure to get water to you.
